CAREER OBJECTIVE

Motivated Python Full Stack Developer with hands-on experience in building web applications using Flask, HTML, CSS, and JavaScript. Seeking an entry-level role to develop scalable and user-friendly applications while enhancing my technical skills.

EDUCATION

Courses		Year	Grade
B.E. Computer Science and Engineering	Vinayaka Mission's Kirupanandha Variyar Engineering College, Salem, TamilNadu.	2022-Current	CGPA-8.7
Class 12	Vailankanni Matric Higher Secondary school,Krishnagiri, TamilNadu.	2021-22	68%
Class 10	Vailankanni Matric Higher Secondary School,Krishnagiri, TamilNadu.	2019-20	87%

TECHNICAL SKILLS

Front-end: HTML5, CSS3, JavaScript.

Libraries: Numpy, Pandas, matplotlib.

Database: MySQL.

Tools: VSCode.

Back-end: Python

PROJECTS

1. Automated Issue Reporting System in College Management Using Python

DESCRIPTION: Developed an automated issue reporting and management system to streamline the process of submitting, tracking, and resolving complaints within a college environment. The system reduces manual effort by digitizing issue handling and improves communication between students and administration through a centralized platform.

2. A Secure And Anonymous Issue Reporting Framework For Academic Institutions.

DESCRIPTION: Designed and developed a secure web-based platform that enables students and staff to report academic issues anonymously while ensuring data privacy and system integrity. Implemented authentication and role-based access control to streamline issue management and resolution through an admin dashboard.

INTERNSHIP

Intern: Computer Software College (June 2025)

- Designed responsive job application and account opening forms using HTML and CSS
 - Gained practical experience in UI design and form validation
-

CERTIFICATES

- Participated in NATIONAL CONFERENCE in Automated Issue Reporting System in College Management Using Python. conducted by Vinayaka Mission's Kirupananda Variyar Arts And Science College in 2025.
- Participated in Paper Presentation 'ASTHRA-2K24 (National Level Technical Symposium conducted by KSR College Of Engineering, Thiruchengode , Namakkal in 2024.
- Participated in NATIONAL CONFERENCE in SmartTech-IOT On Multi Disciplinary Strategy for Sustainable Eco-Friendly Products and Process Development, Conducted by Vinayaka Mission's Kirupanandha Variyar Engineering College ,salem in 2024
- Infosys-Robotic Process Automation(RPA) Training. Completed 15-day hands on training program, covering RPA Concepts, UiPath workflows, automation of Excel/Browser tasks, and Real-time project Scenarios.
